

FIRST NOTE

At the traditional event “**45th Jump over the leather skin**” the **13th Conference of the Mining, Geotechnological and Environmental experts**, organized by

Department of Geotechnology, Mining and Environment and Slovene Mining Society of Engineers and Technicians (SRDIT),

will take place on Friday, 07th April 2017 on Faculty of Natural Sciences and Engineering.

The traditional festivity of the “freshmen” inauguration “Jump over the leather skin” and elite dance will take place on **Saturday, 08th April 2017**. The festivity is organized by the students of the Department of Geotechnology, Mining and Environment, Department of Geology and Department of Materials and Metallurgy.

The intention of the first note is to draw our colleagues to cooperation by their articles and to pass to the competence public the current news, events, strategies, results from research on the field of mining, geotechnology and environment.

Dead line for handing in the abstracts of the articles is **27th January, 2017**. The articles should be formed according to the RMZ instructions and handed in by **17th February, 2017**. The selection of the published articles will be made by the Review Committee till **03th March, 2017**.

The abstracts of the articles (100 – 200 words) and the articles should be sent in electronically form (Word) to the following address: **SRDIT**

Aškerčeva 12

1000 LJUBLJANA, SLOVENIA

e-mail: joze.kortnik@guest.arnes.si

WEB: www.srdit.si/

fax.: + 386 1 25 24 105

and annotated:

Conference of the Mining, Geotechnological and Environmental experts at the traditional 45th event “Jump over the leather skin”.

The articles will be published in the electronic proceedings of conference of the Mining, Geotechnology and Environmental experts at the traditional **45th event “Jump over the leather skin”**, which will be issued on the day of the conference.

Srečno!

Best Luck!

Glück auf!

Sretno!

Vice-president of SRDIT

Head of the Department of
Geotechnology, Mining and Environment:

Assist.prof.dr. Jože KORTNIK

Assist.prof.dr. Goran VIŽINTIN
